Meeting Minutes

- Since last meeting we've made some progress
- Jason finished the user interface for the landing page, sign up page, and login page
- Jason is currently working on the league statistics page
- Jason encountered no problems when updating the code and creating new code
- Britania created the user interface for the game dashboard page
- Britania is currently working on adding a navigation bar to all pages excluding landing, login, and signup pages
- Britania first had trouble understanding how to go about creating the page but eventually found some help
- Ryan is currently working on the user interface for view connections page
- Ryan is trying to learn the different options that react has to offer to implement the tables needed
